Our Mission...

The Hettinger Education Foundation was developed to provide supplemental financial aid to the students and teaching staff of Hettinger Public School District #13 located in Adams County, North Dakota. Our purpose is to provide a way for supporters to give tax-deductible contributions to aid in areas that lack funding and to provide scholarships for our area students and teachers.

We Are...

- An organized and energized group of citizen volunteers concerned for the immediate and future financial needs of the School District and our students.
- A non-profit entity with a 501©(3) status. All gifts are guaranteed to be tax deductible.

Our Goals...

- Annual endowment goal of \$10,000
- To strengthen and enhance our school district's ability to educate through financial support of:

Scholarships

Student Fees

Teacher Enrichment

Music, Art & Drama

Technology Tools

Student Activities

Lets Do It!

Although we live in a strong, proud and caring community, that does not always "pay the bills." Hettinger Public School District #13 faces immediate and future struggles for its students, teaching staff and patrons. We are currently facing declining enrollment, a strained local economy and an inefficient State School Funding Formula.
